

Moorooka State School

Prep Transition Program 2025

Get Ready for Prep!

At Moorooka State School, we believe in inspiring the next generation to collaborate, persist, innovate and achieve. Our 2025 Prep transition program is designed to ensure you and your child feel comfortable to begin school by building familiarity and relationships with our school and staff. Our approach to transition ensures we know where your child is at in their learning journey and how they can be most successful in Prep at Moorooka State School!
