

Moorooka State School Library Pup Playgroup Floor Plan

Even though the government regulations require 4m sq per person, we have limited the inside space to 20 people to ensure that we can keep to the 4m sq rule. The library furniture (book carrells etc) limits our capacity to have more adults in this space and socially distance safely.

We have also taken into consideration that even though we have an outdoor play area, it's very cold at the moment and most people won't use this space. We would much prefer to act on the side of caution and keep you, our staff, students and community safe. Thank you for your ongoing support.

# Inside Library Area	16 x 16 metres	256 metres	20 people
