

I'm Starting School

*at Moorooka State
School*

At Moorooka State School, we acknowledge the traditional owners and custodians of this land, the Yuggera people. We acknowledge the waterways, the land, the sky, and all who inhabit this place. We acknowledge our elders who have gone before us, and those who stand for us today. We acknowledge our past, and stand here for our future.

This is my new school. It is called Moorooka State School.

Moorooka SS is on Sherley St and Beaudesert Rd, Moorooka.

At my school:

We are safe

We are respectful

We are learners

*These are the gates where
I go into my school.*

My teacher and the other teachers at school will look after me while I am at school. I can ask my teacher to help me if I need help. My teacher cares about me and likes to know about me.

I can have a lot of fun at school and learn a lot of things. I might see some old friends there and make some new friends.

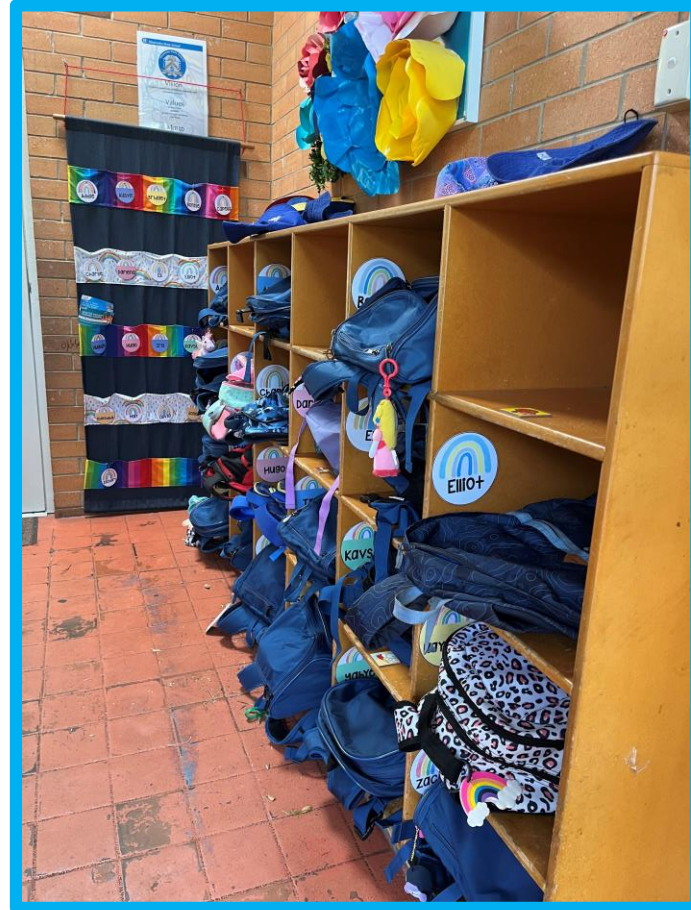

Sometimes I might miss my family while I am at school. Some children might even cry a little bit because they miss their family, but the teachers will help them to feel better.

I wear my uniform to school. I wear my hat outside to protect me from the sun.

I have a school bag with my much and crunch, lunch, water bottle and hat inside. My name is on everything. This is where I put my bag when I am at school.

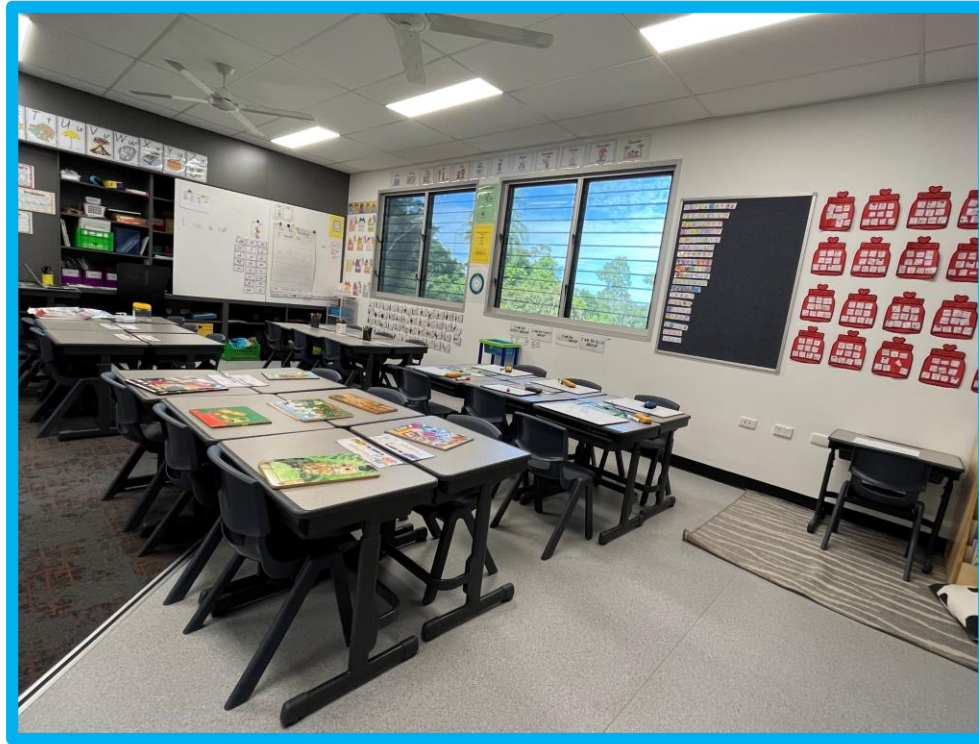

This is the playground. It is fun to talk, laugh and play with my friends in the playground at play time.

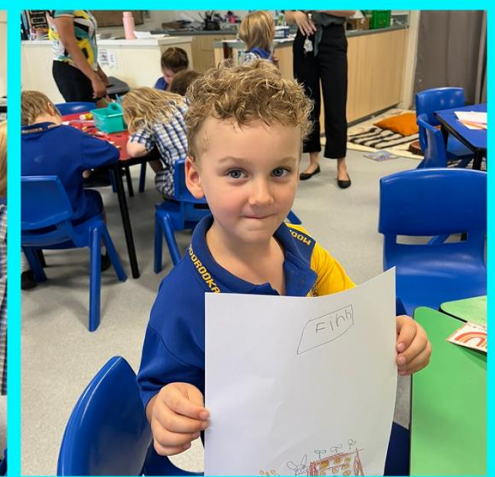

I eat my healthy munch and crunch and lunch at school. I eat healthy food to help me feel good and to grow strong.

My classroom is where I have fun and learn with the other children in my class. I like learning the names of all of the other children and they learn my name as well.

I know how to do a lot of things at school because I have done them before. I draw, paint, paste, count, play, listen to stories and sing songs at school.

There are tables and chairs in the classrooms and carpet space where all of the children can sit and listen to the teacher read us a story or to help us to learn new things. We learn about reading, maths, science and a lot of other things.

Sometimes my class will go to Art or Music or Japanese or HPE.

I might do some painting or sing some songs or play games.

There are older children at school. The children in year 5 and 6 are our buddies. They sometimes help us in the playground and spend time with us in our classrooms.

I go to school on Monday,
Tuesday, Wednesday,
Thursday and Friday. I don't
go to school on Saturday,
Sunday or on the school
holidays.

This is the school office. These people work in the office. Sometimes children take messages to the office. The office is a quiet space and I always need to use my manners.

If I get hurt or feel sick, the people in the office will help me.

My school has a special place called a library which has lots of books. I can take some books home in my library bag so my family can read them with me.

There are toilets at my school.
The teachers will teach all of the
new children about where the
toilets are and how to use them.
I always flush and wash my
hands after I use the toilets.

All of the children have someone who picks them up after school. The teachers look after me until I am picked up. Some children might go home with their mum, dad, grandma, grandpa or another person who looks after them. Some children go to after school care and then get picked up from there and go home after that.

When I am going to home, I say goodbye and smile and wave to the teachers and the other children.

I wonder what else I will learn and do at school?
