Principal’s foreword

Introduction

Moorooka State School is situated in the beautiful suburb of Moorooka, on Brisbane's southern outskirts. We're a great school where great things happen. In sending your child to Moorooka State School, not only will they receive a well-balanced curriculum with a focus on improved literacy and numeracy outcomes, they will be educated in a happy and caring environment.

Students who attend Moorooka State School have access to large, open-spaced classrooms, a modern library, and a beautiful, spacious campus with two huge ovals and a pool. We have a brand new art/drama classroom and science lab, which have been set up with outstanding facilities to meet the Australian Curriculum. We have installed Interactive Whiteboards in all teaching spaces. Coupled with our iPad program, this allows our staff and students to broaden their learning through the wide use of ICTs to support the curriculum.

Our staff provide your child with a range of activities which allow them to broaden and deepen their experiences.

Enrolments at Moorooka State School have continued to increase since 2010. We are a school which is unique and rich in its cultural diversity with the students attending our school coming from over fifty different countries from around the world.

**Future outlook**

We are ensuring a continued focus on the school’s philosophy of education and its core values to ensure
that improving student outcomes remains the central focus of all programs throughout 2013 and 2014. Our philosophy is linked closely to works of Stephen Covey through his publications: “7 Habits of a Health Mind” and “The Leader In Me”.

Our literacy program will continue to be a high priority on the agenda. The results of students from non-English speaking backgrounds (ESL, English Second Language) are something we are very proud of, however when compared with Non-ESL background students their results in Standardised Testing are not comparable until they have had several years of schooling. National testing (NAPLAN) results entitled the school to extra support in developing the role of the Literacy Coach.

A coach is used to mentor and assist teachers in embedding the latest Literacy practices and has already proven to be the 'most significant professional development' our teachers have ever under gone.

This renewed focus on Literacy practice is the paramount for 2013-14. Already the results being witnessed from our involvement in this program are outstanding with many students increasing exponentially in terms of their reading age and comprehension abilities.

Moorooka State School also continues to value highly the richness our diverse community brings to our school. We are determined to market our strengths to the wider community in an effort to help them understand the transitions the community has undergone in the past few years.

We continue to encourage wider community partnerships that value difference and the life long learning we gain from understanding other cultures. Events like Harmony Day, Discos and Christmas Carols are supported by Council and community groups.

Curriculum offerings

Our distinctive curriculum offerings

Moorooka State School offers a rich and diverse educational program planned around the following Key Learning Areas:

- Mathematics
- English
- Science
- Studies of Society and the Environment (SOSE)
- Music (including instrumental Music)
- Health & Physical Education
- Language Other Than English (Japanese)

Extra curricula activities
Moorooka State School offers a wide variety of sporting and cultural opportunities for students. Several students have found success at district, regional and state levels in both sport and cultural endeavours. The school’s choir, string ensemble, and instrumental music program have all experienced successes at regional level.

How Information and Communication Technologies are used to assist learning

Staff at Moorooka State School make extensive use of ICTs in the teaching and learning process. This includes the use of:

- Staff MacBook Pro laptops
- Interactive white boards
- Wireless keyboards and mice connected to the IWBs
- Laptop computers
- Extensive desktop computers (Windows and Mac)
- iPod and iPad technology (the school has 150 “i” devices utilised by both staff and students
- Digital equipment, such as video cameras, Flip video cameras, still digital cameras, microscopes
- Green room facilities, including high-end equipment and dedicated multimedia software

Social climate

Our school has a rich tradition of sporting and musical excellence with many awards and achievements at both local and state level. The opportunity to participate in inter-school sport is offered to students from years 4 to 7 in both summer and winter, with Rugby League, Soccer, Netball, Softball, Cricket, Touch Football and Australian Rules available.

2012 and 2013 continued to be successful seasons for Moorooka with a number of students representing the school at both regional and state levels.

Students represented the school in Netball, Swimming, Touch Football, Rugby League, Soccer, Cross Country and Athletics.

Students access the on-site swimming pool for two swimming lessons per week in terms 1 and 4 and may also elect to join the Moorooka Marlins Swim Club, which provides coaching before and after school.

Moorooka has a strong music program where students may choose to learn a musical instrument at school and join the Senior or Junior Strings, Senior or Junior Instrumental Band, or Choir. In 2013 we continued private tuition for students. Families can opt to have tuition in piano, drums and guitar. Our annual cultural event, Musical Moments, remains a highlight on the school’s calendar.

Students also have the opportunity to become involved in various interests and hobby groups, Religious Education and State and Australian competitions.

Moorooka State School supports an inclusive, caring sense of community. Several programs within the school assist in nurturing this climate.

Our Chaplain is very active and plays a large role in supporting children’s well being.

Breakfast club ensures students are well prepared for the day.

Students eat in class groups with their classroom teacher; this ensures students are eating healthy food
to assist their attention levels throughout the day.

Students are presented with Honour Awards at our weekly parades. The teachers identify students who have demonstrated the school's 5 Cs (Courtesy, Consideration, Co-operation, Common Sense, and Care), or who have exemplified themselves in the classroom.

Gotcha Awards are given to students who are 'caught' doing the right thing.

School leaders play an active part in running lunchtime activities, supporting charities and managing parades. As part of our ongoing review we introduced two new leadership positions at the end of 2012 which have continued in 2013: Student Ambassadors (whose role it is to assist new students starting in the school), and The Media Team (whose role is to assist in taking photographs and reporting on school events throughout the year).

The school offers a very supporting and caring environment and, in general, experiences very few major behaviour issues throughout the year. Staff follow the school's Responsible Behaviour Plan for Students.

Parent, student and staff satisfaction with the school

We have received an outstanding series of ratings in the 2013 school opinion survey data. Collectively we have been extremely pleased that the hard work and endeavours of our staff have been identified by the wider school community, especially our parent body. Ongoing internal surveys indicated that both staff and students are extremely satisfied with the management of the school and the current direction the school is heading, as well as climate and care within the work place. The school's administration team works closely with the school's P&C to ensure a collaborative approach with parent representatives of the school.

We have identified that some students feel behaviours of other students has let them down, although conversations with our student body, and particularly the student leadership team, has given us further insight as to how these series of questions were interpreted.

We have continued to provide our staff with outstanding professional development opportunities and the level of care demonstrated at all levels of the school has been identified in the high level of staff morale identified in 2013.

We received the most outstanding parent opinion results for the last 5 years in 2013.

* Nationally agreed student and parent/caregiver items were incorporated in the School Opinion Survey in 2012.

Percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. Due to a major redevelopment of the surveys (parent/caregiver and student in 2012; staff in 2013), comparisons with results from previous years are not recommended.

DW = Data withheld to ensure confidentiality.

Involving parents in their child’s education

Moorooka State School has an active and supportive parent community. Parent involvement is through the P&C and its various sub-committees including Tuckshop, Uniform Shop, swimming Club, Music Support Group, Moorooka Activities Centre, Facilities Group and Parent Group.

Parents are encouraged to participate in the daily life of the school by volunteering to assist in classrooms, swimming programs and excursions.

In late 2013 we introduced a new position in the school: Community Liaison Officer. The role of the CLO is to work closely with our families and the community to develop relationships.

Reducing the school’s environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

The school utilises a number of installed water tanks for watering gardens and the school oval. The school’s solar panels ensure that electricity consumption is reduced and that power is sent back to the grid. Staff and students ensure that lights, fans and other equipment are switched off when leaving rooms.

The consumption data is sourced from the validated utilities expenditure return which the school submits at the end of each financial year. The data provides an indication of the consumption trend in each of the utility categories which impact on the schools environmental footprint.

* The method for calculating attendance changed in 2013 – care should be taken when comparing data from 2013 to that of previous years.

Description of how non-attendance is managed by the school
Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

At Moorooka State School staff and the administration team place emphasis on contacting parents to follow up student absences. This has assisted in reducing student absenteeism.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at http://www.myschool.edu.au/.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following ‘Find a school’ text box.

Where it says ‘Search by school name’, type in the name of the school whose NAPLAN results you wish to view, and select <GO>.

Read and follow the instructions on the next screen; you will be asked to accept the Terms of Use and Privacy Policy before being able to access NAPLAN data.

If you are unable to access the internet, please contact the school for a paper copy of our school’s NAPLAN results.

Achievement – Closing the Gap

Moorooka State School ensures that all indigenous students are provided with additional support as required. The result of this is that all indigenous students are performing above their expected Year levels in both literacy and numeracy. We have effectively “closed the gap” on outcomes for all indigenous students at Moorooka State School.
